

one of the largest conglomerates in Indonesia. It was formed in 1938. It has numerous subsidiaries including Asia Pulp & Paper and palm oil

Business Challenge

Engaging with multiple suppliers across geographies with a manual process of supplier onboarding -which was time consuming and complex. Without a clear system in place to onboard and develop new supplier partnerships, the company was facing a risk of losing valuable business

Lack of visibility to data across multiple internal teams and suppliers triggered process inefficiencies and data inconsistencies

Sinarmas

Solution

- Development supplier onboarding portal using of SAPUI5, for self-registration
- Provision for uploading documents by suppliers
- Verification, compliance, risk assessment, approval and creation of supplier master data

Business Benefits

- 3X Improvement in velocity of onboarding new suppliers
- 40 New suppliers onboarded per month
